Leikur - Hvað má fara í klósettið?

Þessi leikur er tengdur laginu «piss, kúkur, klósettpappír" og hefur það að markmiði að kenna börnum hvað má og má ekki sturta niður í klósettið.

Undirbúningur:

Prenta þarf út myndirnar og klippa þær út. Einnig er hægt að bæta við fleiri myndum eftir þörfum.
Klippa þarf op í mynd af klósetti og ruslatunnu (miðjuna), þannig að hægt sé að setja myndirnar «ofan í" hvort tveggja.

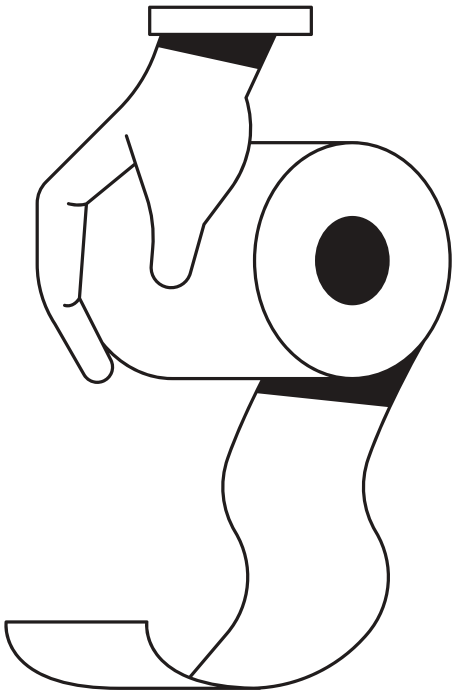

Framkvæmd:

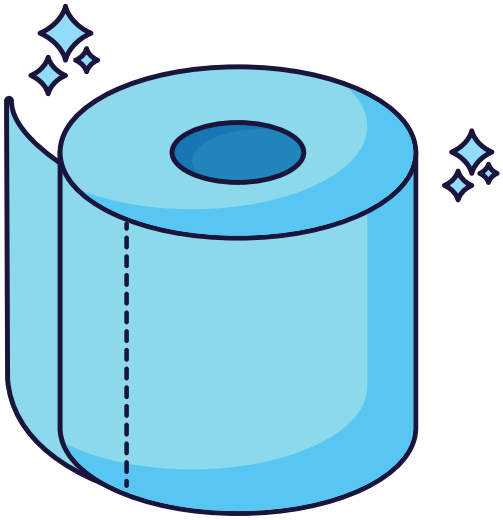

Börnin skiptast á að draga eina mynd í einu.
Hvert barn skoðar myndina og ákveður hvort hluturinn eigi að fara í klósettið eða í ruslatunnuna.
Barnið setur myndina á réttan stað.
Á meðan leikurinn fer fram er lagið spilað, sem styður við námið og skapar skemmtilega stemningu.

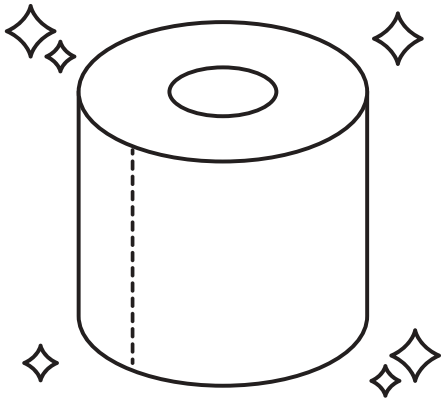

Markmið:

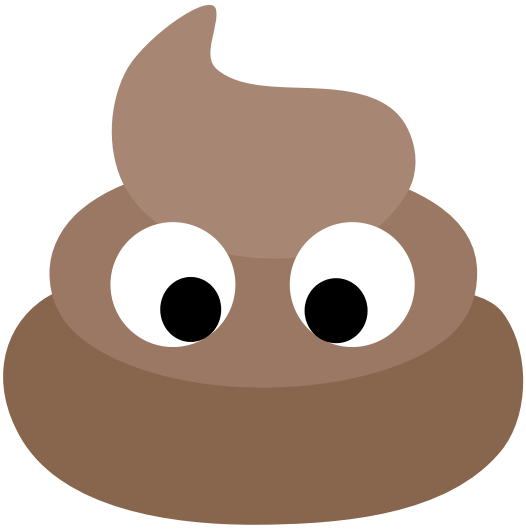

Að efla skilning barna á hreinlæti og réttri umgengni við klósett.
Að styðja við nám í gegnum leik, hreyfingu og tónlist.
